NEW CATHOLIC CHURCH

The Structure Will Be Built of Field Stone With Brown Stone Trimmings.

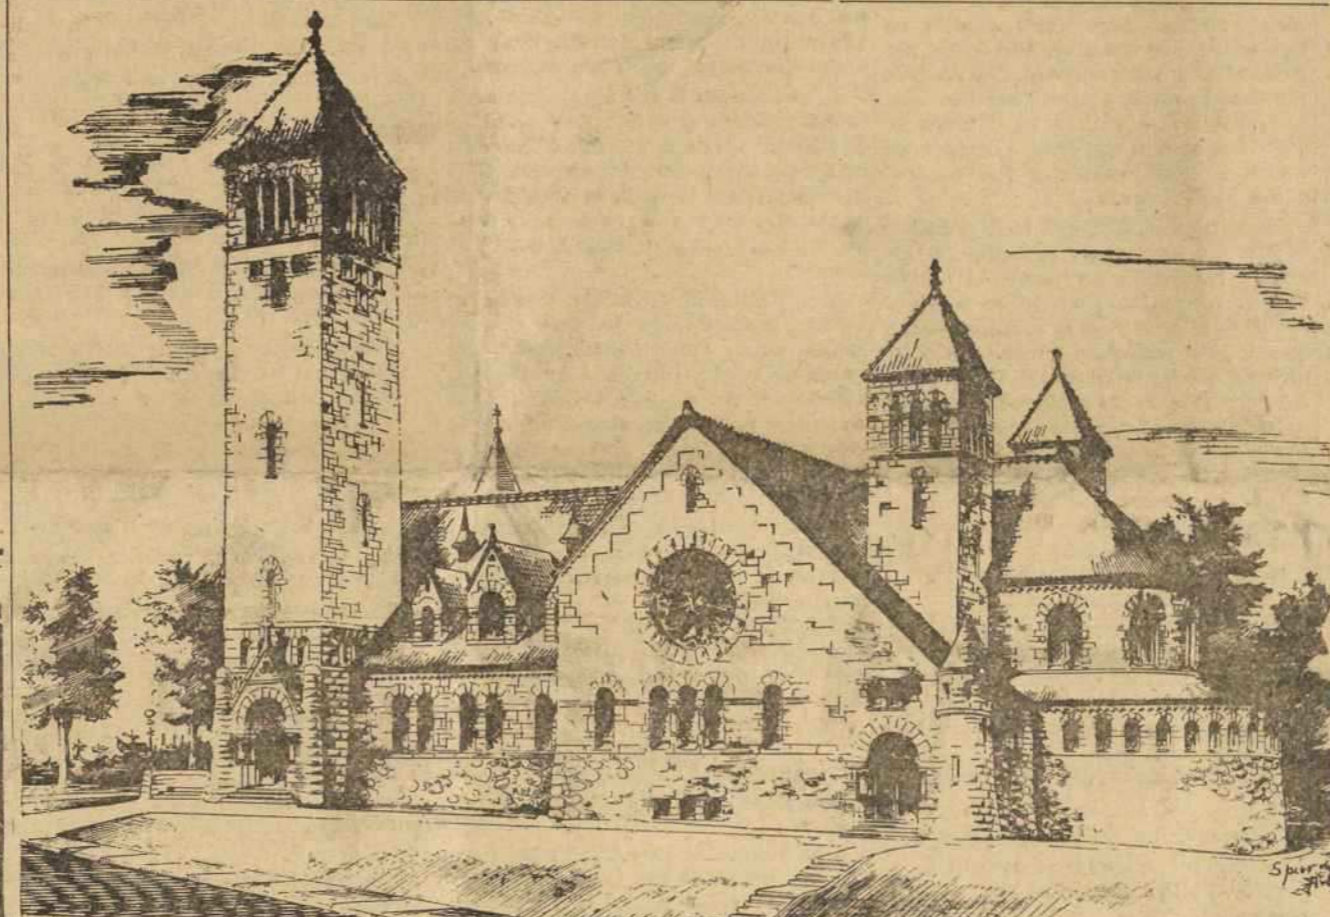

FINE VIEW OF THE PROPOSED EDIFICE.

The Interior of the Church Will Be Treated in the Romanesque Style.—It Will Be Three Years in Course of Erection

Plans for the foundations of the new St. Thomas' Catholic church, which is to be erected on the church property at the corner of N. State and Kingsley streets have been completed. It will, however, be fully three years before the church will be completed. Only the foundations will be laid this year, to be followed next year by the enclosing of the building. The interior finishing will be completed the third year.

The cut presented herewith shows the church as seen from the Huron valley and from the trains coming from Detroit. The building will be cruciform Romanesque, 90x154 feet, built of field stone worked in three different styles with brown stone trimmings and traceries in the windows. The columns at the entrances and the main towers will be of polished granite. The roofs of the towers will be of stone and of the church proper of Spanish tile.

The interior of the church will be treated in pure Romanesque style. The main entrance will be 40 feet high, with groups of clerestory windows, receiving light from the roof dormers; the side naves will be 18 feet high and will serve practically for aisles only.

THE NEW ST. THOMAS' CATHOLIC CHURCH.

being but 8 feet wide. The ceiling of the entire building will be vaulted.

The altars will be of marble and the floor of marble mosaic. The heating of the church will be done by indirect radiation, thus securing reliable ventilation. A separate boiler house will be built onto the establishment on N. State street from which the church, school hall and rectory will be supplied with steam. The site of the property is one of the best in the city, being on top of the hill just south of the Michigan Central railroad, overlooking the entire Huron valley.

The cost of the building when completed will be \$50,000.

St. Thomas' congregation is one of the largest, most flourishing and oldest of the city. It possesses very extensive and valuable property between State and Kingsley streets. Connected with the church there is a good school in which the Latin, English, Scientific and Commercial courses are taught. Besides the school there is a well equipped Conservatory of Music, which has not suffered in the least by the establishment of the University School of Music, and whose annual June Festival never fails to crowd the opera house. Upwards of 200 Catholic students from the university and a goodly number of people with high school proclivities are faithful attendants at St. Thomas' Church every Sunday. In the erection of the church it is thought that considerable help may be received from the Catholics of the state, who are public spirited enough and have interest enough in their religion to wish to see a grand edifice in the Athens of the West, one which would command the respect of their children in attendance at the university. This would seem the more likely as nearly all the other churches have received such aid.

The Ladies' Aid society of St. Andrew's church held their annual election last Wednesday with the following result: President, Mrs. Devine; vice president, Mrs. George H. Pond; secretary and treasurer, Mrs. John W. Bennett.

HON. CHARLES WOODRUFF.

The Veteran Editor of the Ypsilanti Sentinel Is No More.

Charles Woodruff, the veteran editor of the Ypsilanti Sentinel, who wielded for many years the most vigorous and trenchant pen of any editorial writer in Michigan, died at his home in Ypsilanti, Wednesday, after a long illness. In fact it has been generally known that he has been failing for the past two or three years. He was a strong man, of many idiosyncracies, who had a contempt for popularity or money, who said what he thought was right regardless of whom it hit or who it affected himself. He always stood up for the under dog in a fight and was master of most vigorous English. He several times refused lucrative positions because he would not submit to have his writings pruned, or to sink his individuality in the policy of the paper, seeking the aid of his able pen. He was born in Seneca county, N. Y., February 7, 1816, learned a tailor's trade and came to Michigan with his parents in 1836, settling at Carpenter's Corners, Pittsfield. The same year he began working at his trade in Ypsilanti, earning enough to complete his education at Allegheny College in 1842. Returning to Ypsilanti, in 1844 he purchased the Ypsilanti Sentinel which had been established the previous year, and which he continuously conducted up to the time that his failing health obliged him to give over the paper to his son, M. T. Woodruff. He gave a great deal of his time and energy to advancing the cause of education and was largely influential in establishing the present school system in Michigan. For several years during his early residence in Ypsilanti, he ran an academy at Ypsilanti. For a number of years

reside in Detroit; the second son, Marcus T., is the present proprietor of the Sentinel, and the third son, Atticus, resides in Ypsilanti.

The funeral services will be held at his late residence at 2:30 o'clock this afternoon.

May Festival.

Prof. Stanley has announced the list of attractions for the May festival of music, beginning Thursday evening, May 21, and continuing three days. On Thursday evening will be given a Wagner concert, the first part consisting of a miscellaneous program, and the second being the entire first act of "Lohengrin." Friday afternoon will be given up to a symphony concert; Friday evening to a miscellaneous program, Saturday afternoon to a great orchestral concert, and Saturday evening to Saint Saen's "Samson and Delilah."

The soloists engaged are: Sopranos, Frau Katrine Lohse Klafsky and Miss Rose Stewart; contraltos, the Misses Gertrude May Stein and Katherine Bloodgood; tenors, Evans Williams and Baron Bertbold; baritones, Leandro Campanari, Max Heinrich and Gardner S. Lamson. Alberto Jonas will act as pianist and Herman A. Zeitz as violinist, and the orchestra will be the Boston Festival orchestra. To these is added the great Choral Union, with its 300 voices. The festival is expected to far eclipse those that have preceded it.

Easter Services at St. Andrew's

The Easter services at St. Andrew's church on Sunday were very bright and beautiful. The chancel was handsomely decorated with Easter and calla lilies, palms and other potted plants, the altar, reading desk and pulpit were

WAS A DEMOCRATIC DAY

Old Washtenaw is Still in Line at Town Elections.

SEVERAL GLORIOUS TOWNSHIP VICTORIES.

Complete Returns from the Townships of the County.—In Spite of Tremendous Efforts the Republicans Fail to Carry the Board of Supervisors.

The Argus, alone of the Washtenaw papers this week, is able to give complete returns of the election last Monday from every town in the county, with the names of all the township officers elected. The democrats, in spite of the discouragement of recent elections and in the face of great efforts made by some of the republican county officers, have been able to hold the board of supervisors, and in many of the townships have gained notable victories. The townships of the county on supervisor give 210 democratic majority. The returns in full are as given below:

ANN ARBOR TOWN.
Ann Arbor town redeemed herself this year and gave tidal wave democratic majorities. Cornelius L Tuomey was re-elected supervisor by 58 majority and the majority on the rest of the ticket ranged from that to 8. The vote was as follows, the democrats being first named: Supervisors—C L Tuomey, 144, George N Foster, 86; township clerk—O F Slatler, 188, George Green, 110; town treasurer—Henry Braun, 128, John Keppler, 98; justice—M Braun, 125, Charles A Pryor, 103; highway commissioner—Henry Feldkamp, 181, Smith Botsford, 96; drain commissioner—John O'Hara, 124, Thomas Blake, 102; school inspector—John Jilter, 120, Charles Rash, 103; board of review—Andrew Smith, 123, S B Winans, 104; constables—Fred Krause, Charles Wedeman, William Sauer. There were 92 straight democratic and 58 straight republican votes out of a total of 239 votes cast.

AUGUSTA.

There were three tickets in Augusta, republican, democratic and prohibition, the vote on constables showing 204 republicans, 106 democrats and 54 prohibitionists. Samuel S Bibbins was re-elected supervisor by 146 plurality, running way ahead of his ticket. The other pluralities was as follows: Clerk—Ed C Howard, 95; treasurer—Elmer E Sanderson, 108; justices—Watson Barr, 88; James A Blackmar, 107; highway commissioner—John F Towler, 58; drain commissioner—Fred Helzerman, 85; school inspector—Elmer S Clay, 93; board of review—Jesse Hewens, 93; constables—William Youngs, Fred G Norman, Chester Rose, 98 each.

BRIDGEWATER.

A very light vote was cast, the entire democratic ticket being elected. George Walter 91 votes, Henry Calhoun 56, majority 35. The majorities on the remainder of the ticket were: Clerk—Sol Tate 21; treasurer—Wilber J Hogan 26; justice—Benjamin Feldkamp 27; highway commissioner—Oscar F Blum 30; school inspector—Frank Johnson 27; board of review—James A Larney 27; constables—Charles Gadd 21; Charles Shutes 6; Lewis Schilenberger 26; Charles Benzler 24.

DEXTER.

Dexter township elects the entire democratic ticket excepting highway commissioner by majorities from 24 to 32. The republicans elected highway commissioner, Emerson Howard by 1 majority. The democratic ticket elected was: Supervisor—John D Clark, 24; clerk—William Ryan, 32; treasurer—Gottlob Andros, 28; justice—John Kelly, 26; school inspector—William Larey, 102 (no opposition); school inspector (vacancy)—Ierman Jeddle, 25; board of review—Thomas Guinan, 28; constables—John Barker, 25; James Irving, 26; Peter Madden, 27; James McCabe, 26. The vote on supervisor was John D Clark, 102; M E McNeil, 78.

FREEDOM.

There was a light vote in Freedom, but the democrats are all right there yet. Michael P Alber was re-elected by a majority of 89, the vote standing 131 for him to 42 for John Reno. The majorities on the remainder of the democratic ticket were: Clerk—Edward Koebe, 87; treasurer—Samuel Feldkamp, 83; justice—Frank H Koebe, 87; highway commissioner—Lewis Koebe, 85; drain commissioner—Lewis Koebe, 87; school inspector—Fred L Feldkamp 93; board of review—Frederick Goss 93; constables—Samuel Feldkamp 93, Bernhardt Lott 91, Calvin Koebe 87, Edwin Kuhl 93.

LYNDON.

In Lyndon, James Howlett, the democratic candidate for supervisor, made a big run and won out with a majority of 48 over George Rowe, the republican candidate. John Young and George B. Goodwin, democratic candidates for clerk and treasurer respectively, beat their opponents, Wm. B. Collins and Dick Clark by 21 plurality. The rest of the ticket is also democratic as follows: Justice, H. V. Heatley, 33; highway commissioner, Arthur May, 45; school inspector, Edward Gorman, 26; board of review, Peter Gorman, 37.

A. M. E. CHURCH DEDICATION.

Appropriate Services Celebrated the Event Last Sunday.

The services in connection with the dedication of the A. M. E. church, on N. Fourth ave., Sunday, were attended by large congregations morning, afternoon and evening, among which were delegates from Ypsilanti and Plymouth. Able sermons were preached by Bishop Turner, of Atlanta, Ga., and Rev. Mrs. G. T. Thurman, of Jackson. The program as planned was carried out in full with the exception of the sermon by Dr. Anderson, of Toledo, O., who was unable to be present. Rev. C. M. Coburn, of this city and Rev. J. M. Barksdale, of Ypsilanti, also assisted in the dedication services.

On Monday evening a dedicatory concert and reception to the ministers present took place, and the church was again filled with an appreciative audience. Vocal solos, duets and quartets, instrumental music, recitations, etc. made up an exceedingly interesting program, which was thoroughly enjoyed. Refreshments were also served. Altogether it was an occasion which will long be remembered by the members of the A. M. E. church.

Monroe Doctrine From the Democrat.

"The noblest study of mankind, is man."—Ypsilantian. No, sir, it's a woman.

As a prelude to a recent sermon, Dr. Ryan, of Ypsilanti, commended a book he had just read, entitled "From the Ball Room to Hell." The doctor seems to think he knows how it will feel, "after the ball is over."

The Ypsilantian congratulates Milan on its revival meetings and signs of repentance. Meanwhile the ministers of Ypsilanti are by the ears. He that hath ears let him care of them.

Critics whose wearied ears fancy they have explored all the riches of high class harmony, lured from the harp by Miss Clarken, of Ann Arbor, are yet without full revelation of the charms and beauties of music.

Dr. Dorman recently gave a lecture in the Ann Arbor Presbyterian church on "The Effects of Alcohol on Body and Mind" which he illustrated with paintings and chemical experiments. It is understood the doctor's "horrible example" was on a strike for higher wages, hence the scientist's resort to paint and chemistry.

"Old Fashioned Methodism will be contrasted with the New Methodism" in the M. E. church next Sunday morning.—Dr. Cobern's Sunday announcement, Ann Arbor. New Methodism tolerates the church organ. Old fashioned Methodism of the day of Rev. Peter Cartwright, was hostile to the church organ. Roared Peter, at a certain church, at the close of the organ voluntary, "Drive that bull out of the gallery!"

The expected bloodshed at the colored Baptist church, at Ypsilanti, did not occur. It was said that if Elder Rickman attempted to force the pulpit, there were those who his blood would shed—in the woodshed. The Rev. doctor did not appear and the service was run by the deacons. Thus they kept "the unity of the spirit in the bonds of peace" but were very sorry not to have a "crack" at the elder.

A Chelsea girl quotes Tennyson these days, "Awake and call me early, call me early, mother dear, tomorrow is to be the gladdest, merriest day in all the glad New Year, for I'm to be Queen Esther in the opera house, my dear, and I'm really feeling nervous and my feet won't track, I fear."—Ann Arbor

Argus. Beautiful lines—those of Tennyson! But perhaps the most touching he ever wrote were those beginning: "In the spring a deeper crimson comes upon the robin's breast. In the spring the gentle bed-bug seeks the leg that tastes the best."

Geo. R. Barker, of the Ann Arbor Argus and the University "tickler" called the Wrinkle, stands indicted as one of the proprietors of a comic publication to be started in Lansing. He denies it, but not under oath. Since the suspension of The Legislative Journal of the last matchless aggregation of state house oddities, Lansing has been without a humorous publication and feels the need of one.

The Adrian Press refers to the "rooster" as the "crowcuss," which spurs the Ann Arbor Courier to the hope "that Bro. Stearns doesn't lie wake nights to listen." Not "lie" awake! Let not the Courier be lured astray by the fox-fire of hope. Mr. Stearns is not the conscience-worshipping lawyer, who, after a characteristic argument to a jury, always sat up all night, on the plea that he ought not to lie in bed.

A bewildered correspondent of the Washtenaw Times, who between standard and local time seems to be lost "between the barren peaks of two eternities," berates the hourly sages of the University for clinging to local time and undertakes to show that for all they know about sun time they might as well eat hay. He says they think sun time corresponds to that of the sun dial, whereas "sun time" is only an average of a variation of 32 minutes, which he hopes the University authorities will have the "faculty" to understand. They may feel toward their critic as did a minister who, in the midst of a lurid sermon on future punishment when a dude pulled out his chronometer, yelled, "Put up that watch, young man—we are speaking of eternity, not of time."

R. C. Joiner, Allen P. O., Hillsdale Co., Mich., says: "Nothing gave my rheumatism such quick relief as Dr. Thomas' Electric Oil."

Adrian Press Items.

The Hawkins Steel Co. with a capital of \$10,000 has been organized in Ypsilanti. It is not a McKinley club, and has no connection with his kind of steel industries, which rifle the pockets of the people through protection.

Elmer Mower is the republican nominee for alderman of the 4th ward in Ypsilanti. With a \$2,000 defalcation by a republican clerk, yet unadjusted by the republican council, it would look as though they had enough in that body now. They should have no Mower.

Mrs. Samm, of Hillsdale, was in her husband's store when he was chasing out the rats. One of them tried to get away, when she caught it by the tail and held it till the dog killed it. She should be put on the sheriff's force, to keep prisoners from making a jail delivery.—Hudson Post. She has a far better record now than Samm's son.

Forty republicans and one democrat attended a ward caucus at Ypsilanti last week and the democrat didn't stand any more show of getting anything than he does under Cleveland's administration. He just sat round with his hands in his pockets, and tried to be sociable.

A Valuable Prescription.

Editor Morrison, of Worthington, Ind., "Sun," writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal." Heart Disease Cured
By Dr. Miles' Heart Cure.

Fainting, Weak or Hungry Spells, Irregular or Intermittent Pulse, Fluttering or Palpitation, Choking Sensation, Shortness of Breath, Swelling of Feet and Ankles, are symptoms of a diseased or Weak Heart.

MRS. N. C. MILLER.

Of Fort Wayne, Ind., writes on Nov. 29, 1894: "I was afflicted for forty years with heart trouble and suffered untold agony. I had weak, hungry spells, and my heart would palpitate so hard, the pain would be so acute and torturing, that I became so weak and nervous I could not sleep. I was treated by several physicians without relief and gave up ever being well again. About two years ago I commenced using Dr. Miles' Remedies. One bottle of the Heart Cure stopped all heart troubles and the Restorative Nervine did the rest, and now I sleep soundly and attend to my household and social duties without any trouble.

A DEMOCRATIC DAY.

(Continued from first page.)

Lodi went democratic by majorities ranging from 45 to 76. There were 216 votes cast, which is a light vote for the township, the republicans working hard to elect a supervisor on which office they put up the main fight. Ira Wood has 45 majority. Among the other democratic candidates elected were: Jacob Birke, clerk by 76 majority and John F. Lutz for treasurer.

LIMA. The republicans counted on a supervisor from Lima this year but they didn't get one. The run on this office have been surprisingly close in this township, in which Mr. Dancer has been elected supervisor by 2, 5, 3 and 2 majority in different years. Mr. Dancer having removed, it was feared that the democrats might lose, but David E Beach came under the wire a winner by one majority over a very popular opponent. The democrats elect supervisor and treasurer, and one constable is a tie. The republicans have the balance of the ticket. The democratic majorities were: Supervisor—David E Beach 1; treasurer—Jacob J Klein, jr, 17. The republican majorities were: Clerk—Otto D Luick, 70; highway commissioner—Henry J Hieninger, 4; justice—Emory D Chipman, 9; school inspector—Samuel H Smith, 16; board of review—Orrin Burkhardt, 3; drain commissioner—Henry J Luick 11; constables—Arthur Hunter, 2; George Savory, 14; Lewis Yager, sr, 12.

MANCHESTER. Manchester has returned to the democratic fold, electing the entire democratic ticket headed by Willis L Watkins who had 38 majority, his vote being 284 to 246 for John H Kingsley. The majorities on the rest of the democratic ticket were as follows: Clerk—Jacob E Blum, 54; treasurer—J Holmes, 21; justice—Dudley Wiltwell, 56; highway commissioner—Henry Herman, 1; drain commissioner—William Brighton, 281; school inspector—Elmer C Silkworth, 35; board of review—Martin B Wallace, 10; constables—Charles L Coon, 11, Howard B Clark 36, Bert A Logan 21, Adam J Wurster 36.

NORTHFIELD. In Northfield the democrats elected their township ticket excepting supervisor, for which office Emory E Leland, on the citizens' ticket had 165 votes and Philip Duffy had 143. The democratic majorities were from 10 to 60 and among those elected were: Clerk—Albert Procknow; treasurer—David Gore; highway commissioner—John M Laughlan; justice—David Bird; board of review—Bernhardt Bauer.

PITTSFIELD. This republican stronghold did not change in the least. The straight party vote was 38 to 88 in favor of the g. o. p. The pluralities ranged from 28 for treasurer to 69 for supervisor. Morton F. Case was elected supervisor over Charles H. Roberts, vote 97 to 28. James H. Webb won the clerkship from Richard Kellogg and Cone E. Sperry defeated John E. Fiegel for treasurer. Christopher Sherwood won out as school inspector, George Read as highway commissioner, Ralph Rice as drain commissioner, Henry H. Preston as full term justice, James D. Allison as justice to fill vacancy and Samuel R. Crittenden as member of the board of review, over William Rhodes, Valmore C. Nichols, William Miller, Charles W. Rose, George Bohnett and Frank E. Mills respectively. Andrew Campbell and Henry D. Platt had no opposition in their run for constables.

SUPERIOR. Superior gave heavy democratic majorities as follows: Supervisor—Walter Voorhes, 71; clerk—Robert Shankland, 76; treasurer, Michael Furlong, 74; highway commissioner, William Gotts, 47; school inspector—G W Bunell 51; justice—T V Quackenbush 72; board of review—Samuel Russell 42; drain commissioner—A H Duncan 64; constables—Nelson Dolbee 67; Charles Palmer 64; James Fennell 65; Robert Martin 59.

SALINE. Saline elected the entire republican ticket by majorities ranging from 18 to 93. The vote on supervisor being E A Hauser, 240; J F Feldkamp, 147. The majorities were as follows: Supervisor—E A Hauser, 93; clerk—A B VanDuzen, 68; treasurer—Willis M Fowler, 18; justice—J M Gross, 45; highway commissioner—George Pinkbeiner, 51; drain commissioner—John Zahn, 47; board of review—J W Hull, 51; school inspector—W A Lister, 58; constables, average majority 60.

SALEM. Salem township, in which the fight was between the republicans and a silver party, went republican as always by pluralities ranging from 10 to 70. Myron F. Bailey, rep., was elected supervisor by a plurality of 56 over William Murray, the silver candidate. Lewis B. Manning, rep., was elected clerk by a plurality of 10 over his opponent Henry B. Hooper, and Charles E. Ryder, rep., was elected treasurer by 70 plurality over Louis Hagan. The other officers elect and majorities are: Justice, Joseph A. Dibble; highway commissioner, Sylvester C. Sober, 58; drain commissioner, Wm. Naylor, 62; school inspector, Calvin Bussey, 63; board of review, Philo S. Rich, 60.

SHARON. Sharon goes back to her old time democratic ticket by from 34 to 70 majority. There was a prohibition and populist ticket in the field as well as democratic and republican. Wm F Hall D. received 136 votes to 66 for John W Dresselhouse, R. Ashley Parks, D, for clerk, had 128 votes to 83 for Edwin E Baker. The remainder of the democratic ticket had the following majorities: Treasurer—Alfred C Smythe, 43; justice—Henry L Renan,

40; highway commissioner—George L Kuhl, 34; drain commissioner—John B F Bachman, 47; school inspector—William C Uphaus, 28; member of board—Stephen Merrithew, 54; constables—Alfred C Smythe, 47; Jacob Kempf, 46; George Wedmayer, 43; Anton Uphaus, 42.

SCIO. Old Scio did nobly, electing the democratic ticket excepting treasurer by majorities ranging from 24 to 142. Byron C. Whitaker for supervisor leads the ticket defeating Benjamin W. Waite by a vote of 249 to 107. John W. Barley had no opposition for clerk. Jay Keith, rep., for treasurer, had 188 votes to 169 for Daniel Cunningham. The rest of the ticket was democratic as follows: Justice, Robert Buchanan, 24; highway commissioner, Fred C. Fiegel, 75; drain commissioner, Adam Brann, 55; school inspector, C. W. Stebbins, 40; member board of review, George A. Peters, 21; constables, Geo. Vinkle, 78, Lewis Stein, 44, Patrick McCabe, 40, Frederick Vogel, 47. There were 130 straight democratic and 59 straight republican votes cast and 71 split democratic and 94 split republican.

SYLVAN. In Sylvan a glorious democratic victory was won and the democratic ticket with the exception of treasurer, drain commissioner and member of the board of review was triumphantly elected. Instead of being a close fight as many expected, Sylvan indorsed H Lighthall by a majority of 108 over that shrewd and wily politician, James L Gilbert, the vote standing: Lighthall, 368, Gilbert, 260. For town clerk J Edward McKins, D, had 359 votes and Orin L Hoffman R, 254. Frederick M Radel, R, had 77 majority for treasurer; Benjamin F Tuttle, D, 3 majority over Daniel Schmalman; Michael Wackenhut, D, 21 majority for highway commissioner; Adam Kalmbach, R, 5 majority for drain commissioner; school inspector—Bart B Turnbull, D, 28; members of board of review—Bernard Parker, R, 38; constables—Edward Chandler, D, Mortimer M Campbell, Edward L Negus, Stephen L Gage, R.

WEBSTER. In Webster the republican ticket was elected by majorities of about 60, but two tickets in the field in Webster was a decided novelty. The officers elect and majorities were: Supervisor—Edwin Ball, 56; clerk—Tom E Burnett, 12; treasurer—Wm W Alexander, 69; justice—Henry Simms, 65; highway commissioner—Corydon L Thurber, 57; drain commissioner—Charles Van Riper, 67.

YPSILANTI TOWN. As usual this precinct went solid republican, the pluralities ranging from 34 for clerk to 80 for supervisor. John L. Hunter, rep., polled 113 votes to Warren W. Voorhes 33 for supervisor and was elected. For town clerk, Perry Watling, rep., had 91 votes and Mortimer E. Crane, dem., 57. Chas. M. Holmes was elected treasurer over Wallace S. Draper by 71 plurality. W. Irving Geckley was elected justice of the peace, his opponent being John C. Tuttle. For highway commissioner Richard E. Gorton beat Seth O. Arnold. Martin G. Moore will be drain commissioner the coming year, and George G. Scotney school inspector; Seeley E. Davis, member of the board of review and Lorenzo Seamans, Lewis C. Kelly, Herbert K. Burrill and George W. Slayton, constables.

YORK. Alfred Davenport tried and true, wins the supervisorship again on the democratic ticket by 3 majority. The rest of the republican ticket is elected as follows: Clerk—Milton H Hack; treasurer—Charles Gauntlett; Justice—Eugene B Ford; highway commissioner—Theodore Josenhans; drain commissioner—George F Richards; school inspector—Cromwell M Fuller; board of review—Charles R Cobb.

FRIDAY, APRIL 10, 1896.

The spring elections generally throughout Michigan show democratic gains. Adrian turned down a republican mayor. Flint gave 200 democratic majority in the place of 600 republican. Saginaw went 1,600 democratic. Even republican Coldwater elected a democratic mayor. In fact the democrats carried 26 cities in republican Michigan and showed gains in a large number of townships. This is not a mere local trend of sentiment as shown by the fact that in New York state a month ago, the township elections showed many democratic gains.

Supervisor Lighthall won a glorious victory in Sylvan, defeating James L. Gilbert, the hero of eleven republican victories, and no previous defeats, by the slashing big majority of 108, against the earnest and persistent efforts of the sheriff's office to defeat him. This victory will go a long way towards placing Mr. Lighthall in the sheriffship of this county.

The democrats lost Ann Arbor city only by their almost criminal neglect of the election. The committee never even held a meeting and there was no organized work done and very little desultory work. If the proper work had been done the city would have shown a democratic gain of one in supervisor instead of a republican gain of two.

If the democrats want the next county treasurership they may turn their eyes to Ann Arbor town, where the hustling and energetic, Henry Braun has just defeated John Keppler, the strongest republican vote-getter in the town, for town treasurer, by 37 majority, they might look farther and fare worse.

The spring elections indicate that Washtenaw is coming back to her old time place in the democratic column. It indicates that without the organization and work of the republicans, the democrats are not yet dead, they have only been sleeping and the awakening is coming.

All honor to the democrats of Superior, who returned a very superior democratic majority, in fact a very heavy one for that township.

St. Andrew's Parish Meeting. The annual meeting of St. Andrew's Episcopal church was held on Tuesday morning. A larger number of members than usual was present, but even then it was a slimly attended meeting. Major H. Soule was elected chairman and H. W. Douglas secretary, after which S. W. Beakes and T. W. Mingay were on motion appointed as tellers. The minutes of the last annual meeting were read and approved. The report of treasurer, H. J. Brown showed a balance on hand of \$65. The election of two wardens and eight vestrymen was then proceeded with and resulted as follows: Senior warden, Prof. B. M. Thompson; junior warden, George H. Pond; vestrymen, Prof. Geo. W. Patterson, Dr. Flemming Garrow, Dr. A. C. Nichols, Moses Seabolt, Prof. C. S. Denison, E. D. Kinne, H. J. Brown, H. W. Douglas.

Masonic Home to Be Closed. On Wednesday next the doors of the Michigan Masonic home at Grand Rapids will close its doors, on account of lack of financial support, and the inmates some 40 in number, will have to seek shelter with their friends. A special meeting of the board of managers will be held in May to take final action in regard to the matter for the future. It is to be hoped that if the board can see no way of opening up the home again that the Grand Lodge of F. and A. M. will at its next session take such steps as will secure the home being permanently cared for. To let it go out of existence now would be an undying blot on the charitable fame of all the Masons in the state of Michigan.

It Was Beautiful Music. The 10:30 a. m. service at St. Thomas' church last Sunday was attended by fully 1,000 people, the congregation embracing not only the members of that church, but many others who had gone to hear the beautiful music of the mass, composed by J. J. McClellan, director and organist. An orchestra of 14 pieces, among whom was Mr. Lambert, a fine cello player from Detroit, and a choir of 14 voices with Miss Josephine Gaffney, Miss Alta M. Beach, B. St. James and Joseph Kelly as soloists, and Miss Ellen M. Clarken, harpist, rendered the exquisite music with true artistic taste and feeling. Mr. Peterson, basso, of Detroit, also sang with the choir.

AN EAST BRIDECATION

Trinity English Lutheran Congregation Are Greatly Rejoiced Thereat.

ENTIRE CHURCH DEBT RAISED SUNDAY.

Organized Three Years Ago the Communicant Membership Is Now One Hundred. — Eloquent Sermons by Noted Clergymen.

Easter was a great day for all the churches in this city. The weather was delightful, the attendance good and the offerings demonstrated the liberal spirit of our church-going people. But there was perhaps no congregation that had greater joy in its service or more marked success in its offerings than the English Lutheran. Although this is the youngest congregation—it being organized just three years ago—it showed some strength in the day's work and worship. For an entire week special services had been held every evening and the attendance was all that could have been anticipated. It grew in numbers until the closing service on Sunday evening, when the church was crowded to its utmost capacity, and many failed to gain admittance. The speakers were all interesting and showed that the pastor had made no mistake in the arrangement of the program, which was published in the Argus.

Mrs. A. V. Hunter, who is the president of the National Woman's Missionary Society of the Lutheran church, is a lady of very pleasing address. She spoke on Friday evening and also briefly on Sunday evening, and won the hearts of all her hearers by her earnest, eloquent words for the cause which she represents. She expressed herself as well-pleased with the work in this city in which her society is interested, and thought that they had no work which promised better for the future than this.

Dr. Baritz, who is the secretary of Home Missions and who was present at the organization three years ago, was delighted with the progress of the congregation during this short period. He spoke at various times and preached

site upon which, to build, for the sum of \$4,000, till the board of church extension assisting the congregation. The large two story frame structure was removed to the west side of the lot and repaired for a parsonage. In the summer of '94 the Woman's Home fund Foreign Missionary Society gave the congregation a pledge for \$5,000 to assist in building a church. Plans were accepted, a building committee appointed, the contract let and in June of the same year the work was commenced on the old building. The corner stone was laid on Sunday afternoon, August 19, in the presence of a large concourse of people. The work was carried rapidly forward and the chapel was dedicated on Sunday, Nov. 18, of the same year. The congregation then transferred its place of worship from the hall to these rooms and found the change very congenial. For just one year the work on the church building ceased and then the contractor was ordered to complete the building. It is a beautiful brick structure 52x52, and the audience room is said to be one of the neatest and most attractive rooms in this city. It will seat about 400 people with ample room for a gallery that will seat from 110 to 200 more.

The floor inclines toward the pulpit and the handsome pews are arranged in semicircular form. The choir recess is in the rear of the pulpit. The windows are of opalescent glass with the scenes of the Nativity and Ascension appearing in rich, but tasteful colors, in the east and south sides. They are splendid works of art. The whole building is neat and tasty and is a credit to the congregation and an honor to the city.

Since the work began 122 persons have been received into membership. There have been some losses but the congregation now has just 100 resident communicant members. The Sunday school has a present enrollment of a few more than 100. The Y. P. S. C. K. numbers some 30, and a ladies aid society and Woman's Missionary Society are all doing effective work "for Christ and the church."

Rev. W. J. Telfow has had charge of this work from the beginning. He has been a tireless worker and can certainly feel proud of what he has accomplished. He has won the respect of all who know him by his mainly straightforward course. He is an able and fearless preacher of righteousness and aims to fashion the lives of his people by a pure and simple gospel.

U. of M. Students in "Julius Caesar." The presentation of "Julius Caesar" at the grand opera house last Monday evening by the U. of M. students of elocution and oratory under the direction of Prof. T. C. Trueblood, was a marked success for all who took any part in its production. Some crudities of a minor nature such as are invariably apparent in the first performance of a piece by amateurs, were noticeable, but on the whole it was a very meritorious performance. The audience was a cold, unsympathetic one until the scene in the second act between Portia and Brutus, which was a fine piece of work. Then the audience "enthused" and the applause was loud and continued. Miss Zera Thompson as Portia and J. H. Mays as Brutus being called before the curtain and again applauded after it had been lowered. W. C. Hull, as Marc Antony, was easily the star of the evening, the scene in the senate where Antony denounces the murderers of Julius Caesar, and in the forum in the oration to the mob over the dead body of the Caesar, giving him ample scope to display his oratorical abilities. J. H. Mays as the noble Brutus and Frank P. Sadler as the wily, crafty conspirator, Caius Cassius, J. H. Quarles as Julius Caesar, F. X. Carmody as Casca and Miss Almeine Orsbome as Calphurnia, showed much dramatic ability. The Roman rabble was in good hands when it fell into those of the students who presented it, and with O. H. Olsen and A. H. Hans as first and second citizens, made a great hit and much merriment. Half of the \$200 that was cleared by the performance will go to aid in erecting the woman's building.

Fine Reception and Ball at the Light Infantry Armory.

The public opening of the new armory of the Ann Arbor Light Infantry last evening was made a regular gala night by the officers and members of the company, and the 400 guests who had assembled to do honor to the occasion. From 8 o'clock until after 3 yesterday morning the building was thronged with officers of the governor's staff in their gaily bedecked military dress, soldiers in uniform, citizens in somber black and ladies in bright, many-colored, handsome attire. The exercises of the evening consisted of inspection of Company A by Capt. Vernou, 19th U. S. infantry, presentation of medals for excellence in drill and attendance by Governor Rich, reception and military ball. To this event Governor John T. Rieh, commander-in-chief and his staff and officers of the M. N. G. from all over the state had been invited. The invitations were freely accepted and the governor was accompanied by the following staff officers of the Michigan National Guard: Gen. James H. Kidd, Ionia; Col. Frank H. Latta, Battle Creek; Col. William Cook, Lansing; Col. Stephen Avery, Lansing; Col. John E. Tyrrell, Jackson; Col. Fred H. Schubel, Maj. John P. Sanford, Lansing. Besides these there were already here: Brig-Gen. Joseph Walsh, Port Huron; Gen. William S. Green, Detroit; Maj. Seymour Howell, Adrian; Col. William A. Gavett, Detroit; Col. Lou Burt, Detroit, and Col. Frank Williams, Grand Rapids, and Capt. Charles Vernou, of the U. S. Infantry.

At 5 o'clock p. m., the Light Infantry turned out and headed by their band marched to the Michigan Central depot to meet Gov. Rich and staff. As soon as the train arrived the guests were escorted in carriages to the hotel, where an informal dinner was served.

At 8 the informal reception to the governor and staff began in the handsome drill room of the armory. The reception committee consisted of the following citizens and officers: Col. Henry S. Dean, Maj. Harrison Soule, Maj. Martin L. Belsler, Hon. Edward Duffy, Capt. Ross Granger, Col. John E. Tyrrell, Maj. Seymour Howell, Capt. Charles E. Hiscock, Hon. Samuel W. Beakes, Lieut. William F. Armstrong and Lieut. Herman O. Walters.

This was followed by the business part of the evening's program, the military inspection, which was conducted by Capt. Charles A. Vernou. He criticised some few points of the drill, but as Capt. Vernou is one of the strictest tacticians in the U. S. army, his remarks partook more of the nature of instruction than of reproof. At the close of the inspection Governor Rich was introduced to the company by Col. Henry S. Dean. In a few well chosen phrases he spoke of the duties of the Michigan National Guard and stated that he had had occasion to test their faithfulness to tin trust reposed in them and had not found them wanting. He then presented the silver and bronze medals for proficiency and regular attendance at drill. The silver medal was awarded to Capt. Ross Granger. The lucky recipients of the bronze medals were: Lieut. William F. Armstrong, Sergeants William C. Cooper, Ambrose C. Pack, Fred C. Rentschler, Corporals Noble Monroe, Karl C. Kern, John Haarer, Charles Petrie, Fred Huntffon, Privates Robert Gauss, Leo Gruner, George W. Kyer, Victor Kauffmann, G. M. McFarlane, Samuel Stadel, Frank Tice, Paul C. Meyer, Albert Wilson.

The presentation over the floor was cleared and dancing began. The full Chequamegon orchestra furnished the music for a program of 24 numbers, and dancing continued until an early hour Thursday morning. The patronesses were: Mrs. A. J. Sawyer, Mrs. Seymour Howell, Mrs. J. Willard Babbitt, Mrs. Joseph T. Jacobs, Mrs. John E. Tyrrell, Mrs. Reuben Kempf, Mrs. S. W. Beakes, Miss Emma E. Bower. Light refreshments were served by Hangsterfer and were much enjoyed during the evening.

Out of a company of 82 men, 76 were on hand for the inspection and drill. Of those absent one was away on leave, another was best man at a wedding and the other four were excused. Speaking privately of the company, Capt. Vernou said that the arms, equipments and clothing of the men were in the best condition of any company he had inspected in the state and in the manual of arms it excels most of them. The boys have occasion to feel proud of their spacious new armory and its most auspicious opening.

Last Night's Council Meeting. At the meeting of the council last evening a good deal of business was transacted. The resignation of Daniel J. Rriss as a member of the public works was not acted on nor was the appointment of Eugene Oesterlin to fill his place confirmed, both being referred to the incoming council. The bills for election expenses were allowed. The returns for the election were canvassed and the several officials declared elected. In the fifth ward Gilbert C. Rhodes won the draw and was declared elected over Thomas Godkin, though a vote had been a tie. The vote on constable in the fourth ward was also a tie, but as Charles H. Jones, the republican candidate, refused to have anything to do with it the election was declared void, and Peter Jertohen, last year's constable, will hold the position another year. The council also ordered that the "literary effusion" known as the report of the Clark-BuHis board of public works, be published in the proceedings of the council in the official newspapers and also printed in the pamphlet containing the proceedings of the board.

Issued a Forged Check. Wednesday afternoon about 4 o'clock Bert J. Laroche, a table waiter at the Arlington house presented a check for \$20 to Silas Saxton, bartender of the saloon next to the hotel, signed by Clark C. Hawes, and asked him to cash it, which he did. A short time after cashing the check he saw it was dated March 30, and thinking it rather strange that Laroche should have been given a check dated so far back as that he called in Marshal Peterson and asked his opinion of it. The handwriting on the face of the check and the endorsement were identical and then a trip to the First National Bank, where the check was made payable was had. Charles Gruner, the teller, at once said that Mr. Hawes did not do business there but at the Farmers and Mechanics Bank. J. H. A. Williams, the teller of that institution, on being shown the check at once pronounced it a forgery.

Search was then made for Laroche and he was presently found in G-winner Bros.' saloon on Detroit street in company with a man named Ernest Helmer. A hack was waiting at the door to convey Laroche to the depot on his way to Detroit and had the officer been a few minutes later the bird would have flown. Laroche was taken to the jail and searched but no money was found in his possession. Helmer was taken to the Arlington where he also was searched on the authority of Laroche's information that he had given the money to Helmer, but no money was found on him. The two men were then brought face to face at the jail but nothing further was elicited, Laroche declaring he had given \$10 to Helmer, and that party declaring just as emphatically that he had never seen it. Laroche was arraigned before Justice Pond yesterday afternoon at 4 o'clock on the charge of passing the check.

A SENSATIONAL LAWSUIT.

Connected with Which a Man Attempts to Commit Suicide.

The case of T. E. Barkworth and Michael Brenner vs. Samuel Seney et al., foreclosure of mortgage, which was on trial in the circuit court on Thursday afternoon of last week was fraught with considerable testimony of a highly dramatic and sensational nature as well as with a word battle between Attorneys T. E. Barkworth and A. J. Sawyer. The facts of the case as brought out were that the defendant (Seney) had mortgaged his farm in Lima to a Mr. Morrison, for \$9,000. The mortgagee died about two years ago and the mortgage was sold to T. E. Barkworth and M. Brenner, the plaintiffs, who brought suit of foreclosure. When the case first came up for trial March 27, a receipt for \$3,000 signed by Mr. Morrison, the original mortgagee, was produced, which the plaintiffs in this case knew nothing about, they therefore asked or an adjournment of the case which was granted. The case was then postponed until Thursday of last week.

During the time between these two dates Frank Morrison, the son of the original mortgagee, came to Mr. Barkworth's office at Jackson and said he had something on his mind which he would like to disclose. Mr. Barkworth told him to bring Harvey Seney, who, he claimed was implicated, and the matter would be straightened out. When this information was brought forward in court, Mr. Sawyer accused Mr. Barkworth of extorting information from his client by means of threats and bluffs, upon which Mr. Barkworth demanded to be at once put upon the stand to testify, which the court allowed him to do and he related the story as above stated. Also that Frank Morrison told him that the receipt of \$3,000 was a fraud and that he had made it at Harvey Seney's suggestion. The blank receipt, he found with his father's signature and he made out the rest of it. The circumstances of this confession to Mr. Barkworth were corroborated by the evidence of Mr. Helling, of Jackson, at whose house Morrison, who lives in Toledo, stopped while in Jackson. He stated that after Morrison returned from his interview with Mr. Barkworth, he handed to him (Helling) a folded note with the request that he would not open it for 10 minutes. Mr. Helling suspected that all was not as it should be and immediately after Morrison had gone upstairs to his room opened the note and read its contents. The letter stated that in view of the forgery he had committed and the disgrace that would accrue to his only child Patrick, if he were confined in the state prison, which in consequence of his offence stared him in the face, he intended to take his life.

On reading these startling lines Mr. Helling rushed upstairs and throwing open the door of Morrison's room discovered him with a revolver in his hand and a razor lying on the table in the very act of ending his existence. After a struggle of some minutes duration, Mr. Helling disarmed the would-be suicide. A two hours' course of argument by Mr. and Mrs. Helling, convinced Morrison of the folly of his proposed action and he returned to his home in Toledo next day.

After hearing this testimony the defense of the case was withdrawn, the case was dropped and the deed of the farm was given to the plaintiff.

Death of Mrs. W. P. Brown.

Mrs. Mary Brown, wife of William P. Brown, died quite suddenly on Sunday last at the family home in Ann Arbor town of apoplexy, aged 68 years, 5 months and 15 days. Her death was a great shock to her family and friends, she having been sick only a few hours. Her maiden name was Miss Mary Foster and prior to her marriage with Mr. Brown her home was in Lyndon township. Besides her husband one son and one daughter survive her. The funeral services were held at the house on Tuesday morning at 10 o'clock, Rev. C. M. Coburn officiating. The remains were followed to their last resting place in Forest Hill cemetery by a large cortege of sorrowing relatives and friends by whom she had been greatly respected.

Death of an Old Resident of Lodi.

David Ehnis, a well known farmer of Lodi and a resident of this county for upwards of 50 years, died at his home in that township of inflammation of the lungs, resulting from an attack of the grip, on Sunday, aged 69 years, 5 months and 2 days. Mr. Ehnis leaves a wife, three sons, Chris. Jacob and Fred, and two daughters, Mrs. George Jedele and Mrs. Charles Blaess, all of whom live in Lodi. The funeral services were held Wednesday at the house and Scio church and the remains were interred in the Scio cemetery. A large concourse of relatives and friends attended the services.

CHICAGO REPUBLICAN.

The World's Fair City Carried by That Party.

CONTEST CLOSE AND EXCITING.

Town Tickets in the Various Divisions of the City Elected by the Republicans by All Kinds of Majorities—The Republican A. P. A. Candidate for Mayor Elected at Kansas City—Republicans Elect Their Mayor at Milwaukee.

CHICAGO, April 9.—This was a Republican year in the town tickets, and all of Chicago went Republican by all sorts of majorities. The south town was the scene of a most exciting contest. The Democrats named a popular man, Martin Emerich, for assessor. Hepburn, the Republican nominee, won by a plurality of 778 out of a total vote of 32,270. Samuel H. Trude, the candidate for supervisor, has a plurality of 2,786, and Kunz, the nominee for collector, proved the star, receiving a plurality of 3,018. Martin, the candidate for clerk, barely won out, getting a plurality over his Democratic competitor of 184. The fight was made against Hepburn, every artifice known to political warfare being used against him.

In the North Town. The Republicans over in the north town carried every ward in the town by pluralities ranging from 400 to 4,300. Ball, the Republican candidate for assessor, has a plurality of 3,787 over W. K. Ackerman, who was induced by the Democrats to accept the nomination for assessor on their ticket. The west town went Republican by 7,000 or 8,000, and William Giffert the nominee for assessor, has a lead of over 4,000 votes. Stoppa, the Republican nominee for collector, has a plurality of 8,519. The Republican nominee for supervisor, Miller, wins by 8,015, and Barry, the Republican nominee for clerk, is elected by 6,639. This is the way the Republican pluralities showed up in the Town of Lake: Cohrs, assessor, 1,159; Gurney, collector, 1,074; Lundberg, supervisor, 1,166; Hays, clerk, 2,757. The total vote cast in Lake was 21,814. Lake View will have a Republican town organization, the entire ticket being elected by pluralities of 3,700. The total vote cast in the two wards composing the town was 11,420.

Hyde Park in the List. The entire Republican town ticket in Hyde Park won very easily, the average plurality being a trifle over 7,000. Mr. Randall, the Republican candidate for assessor, had a plurality of 7,528 over Tracey, Democrat. Mr. Olson, the Republican candidate for supervisor, beat his Democratic opponent, Wiora, 7,646 votes. The total vote cast for the town ticket was about 17,430.

Jefferson elected Republican town officers by comfortable majorities, and the same result was probably obtained in Calumet.

Thirty-six aldermen were elected from the thirty-four wards of Chicago, two of them to fill vacant seats in the Tenth and Nineteenth wards. The Democrats gained aldermanic seats in a number of wards, but lost in other wards, so that, on the whole, the Democratic strength in the next council will be about the same as in the present council. The council will stand: Republicans, 47; Democrats, 19; Independent, 2; holdover, Republicans 27; Democrats, 5.

Illinois Town Elections. Town elections were held throughout Illinois Tuesday. As a general thing Republican victories are reported. At Monmouth a surprise was caused by the election of William Ellenburger, a college student, over his Republican opponent. Republican gains are reported in Danville, Charleston, Sigol, Mattoon, Champaign, Urbana, Lacon, Vandalia and Princeton. In Salem the entire Democratic ticket was elected, where the Republicans were successful a year ago. At Mount Sterling a free silver ticket was in the field. No license carried at Yates City. A municipal election was held in Quincy. The Democrats elected five aldermen and the Republicans three. At Rockford John C. Carver, Rep., was elected circuit judge of the Thirtieth judicial district. Democrats elected their town ticket at Freeport. At Joliet honors were divided. Republicans carried Kankakee and Mattoon. Ottawa went Democratic. Republicans carried the day at Springfield, and there was an increased Republican majority at Plano.

Wisconsin Returns. Republicans Elect Their Mayor at the Cream City. MILWAUKEE, April 9.—A large stay-at-home element, coupled with a remarkably large Populist vote, has come very near defeating the Republican ticket in this city. Returns indicate the election of Rauschenberger by a plurality ranging from 1,500 to 3,000 votes. This carries with it the other nominees on the city ticket, as Rauschenberger was badly out in the American wards. The Democrats have gained several members of the common council, but the Republicans will still control that body by a safe majority. On the board of supervisors the Democrats have also made gains, and may have a majority. The election was notable for the number of split ballots cast.

Madison, Wis., April 9.—Dye, Rep., was elected mayor over Alfred, Dem., by 60 plurality. Clark, Dem., was elected treasurer. Democrats elected four out of six aldermen. R. D. Marshall is re-elected associate justice of the supreme court. In the Eighth judicial circuit, E. W. Helms, Rep., is probably elected judge, and in the Thirteenth Warham Parks, Rep., probably defeats J. J. Dick, Dem. In the four other districts, the incumbents are re-elected without opposition.

Kansas City Election. The Republican A. P. A. Candidate for Mayor Elected. KANSAS CITY, April 9.—Complete returns from Tuesday's city election give Jones, the Republican A. P. A. candidate for mayor, a majority of 1,678 over Kumpf, Independent-Democrat. With the exception of one member of the school board and four members of the lower house the remainder of the Jones ticket ran ahead of him, receiving majorities ranging from 800 to 2,800. George S. Graham was elected president of the upper house; John J. Green, treasurer; John G. Bishop, auditor; Fred W. Gifford, police judge; Charles E. Burnham, attorney. Frank A. Faxon, Pop., for member of the school board was elected over Taylor, Reb. The lower council is evenly di-

vided, five Democrats and five Republicans being elected. So general was the scratching that the result was in doubt until late Tuesday evening and the final figures were not had until far after midnight. Result in Kansas Cities. TOPEKA, Kan., April 9.—Results of the the elections in Kansas cities of the second class Tuesday are considerably mixed as to political lines. In many places the chief issue was the drug store or other saloons, commonly called "joints," and the vote in nearly every case was against continued toleration of illegal liquor selling. Women vote for municipal officers in this state, and in many towns took a very active interest in the contest. At Cimarron the women were victorious, Mrs. C. A. Curtis being elected mayor by a small majority over Dr. Lawrence. The election board was composed wholly of women, who were out in full force. Mrs. Curtis is over 60 years of age. She is a woman of good business ability, and is quite wealthy.

In Arkansas. MEMPHIS, Tenn., April 9.—Municipal elections were held in Arkansas Tuesday. The Democrats were successful in all townships save Newport and Jonesboro, where the Republicans elected their tickets. Populist Ticket Elected. VICTOR, Colo., April 9.—The entire Populist town ticket, headed by James Doyle for mayor, was elected here after a hot fight by about 100 majority. STEER RUNS AMUCK. The Infuriated Beast Killed by a Boy with a Rifle. MILWAUKEE, April 9.—A steer broke away from a butcher on Vliet street Tuesday and dashed down the thoroughfare, which was crowded with pedestrians. Men, women, and children ran in all directions to get away from the infuriated animal and several were slightly hurt. There was a bicycle rider in sight and the animal chased him. The rider pumped for all he was worth, but the steer gained on him and the man jumped from the wheel and ran for a patrol box around which he circled in an effort to keep away from the steer's horns. A squad of police tried to capture the infuriated beast, but he got away from them, and tearing down Seventh street, cleared that thoroughfare of pedestrians. The police followed in a wagon and fired several shots without hitting him. Then a boy with a rifle came along killed the steer at his first shot.

Herr Ahlwardt Fined. NEW YORK, April 9.—Herr Ahlwardt, the German Jew-baiter, was arraigned Tuesday on the charge of carrying concealed weapons, the charge growing out of Monday night's disturbance, when he was knocked down and pelted with cabbages. He was fined \$10. As he was leaving the court room he was arrested a second time, charged with assault. He gave bail to await the action of the grand jury. It has been decided that Ahlwardt will not be allowed to publicly express his anti-Semitic opinions in any public place in Hoboken in the future. If he does he will be arrested immediately as a disorderly person. Illinois Prohibitionists. SPRINGFIELD, April 9.—The state convention of the Prohibition party met here Wednesday for the purpose of nominating a state ticket, selecting seventy delegates to the national convention of the party, which meets at Pittsburg May 27, and to renew its declaration of principles. There are between 500 and 600 delegates in attendance, and it goes without saying that they are all orderly, sober and generally a God fearing body of men. The various congressional delegations met Wednesday morning and selected committees on credentials, resolutions, delegates to the national convention, etc. Ninety Per Cent. Chloroformed the Family. MONMOUTH, Ills., April 9.—Burglars entered the house of E. H. Crandall, a wealthy farmer residing near Larchland, this county, and administered chloroform to the entire family. The robbers then ransacked the house, carried away everything of value, and made good their escape. The family did not awaken from their death-like slumber until late on Monday evening, and, although suffering from the effects of the drug, they succeeded in alarming the neighbors. Utah Republican Convention. SALT LAKE, April 9.—The state Republican convention here Tuesday and elected a pronounced free silver and anti-McKinley delegation. The meeting was a spirited one, but on the whole good natured. The delegates chosen were Senators Frank J. Cannon and Arthur Brown, Representative Allen, Colonel Isaac Trumbo, Thomas Kearns, one of the owners of the Silver King mine at Park City, and W. S. McConick, the banker. Pleasant to take, positive and instant in its results, in fact, the best cough medicine in the world, Dr. Wood's Norway Pine Syrup. Went Through a Bridge. TOLEDO, O., April 9.—At an early hour Wednesday morning a ponderous steam excavator, pushed along by a light engine, jumped the track while crossing the Wheeling and Lake Erie railway bridge over the Maumee river, and, tearing through the iron work of the structure, carried the whole of an eighty-foot span into the river with it. The engine remained on the track. Elbert Briggs of Ironville, a switchman, riding on the excavator, was carried down by it and drowned. Pure blood is the safeguard of health. Where the Money Went. The Rev. Luther McSweeney says in The Catholic World: "A great manufacturing company in Massachusetts recently paid their workmen on Saturday evening 700 \$10 bills, each bill being marked. By the following Tuesday 410 of these marked bills were deposited in the bank by the saloon keepers of the town. Four thousand and one hundred dollars had passed from the hands of workmen on Saturday night and Sunday and left them nothing to show for this great sum of money but headaches and poverty in their homes. Well might these men cry out to the state, 'Save us from ourselves!' and their hapless wives and children, 'Save us from our husbands and fathers on the Lord's day at least!'" Small Brain Suffers Least. The man who says, "I can carry more liquor than any other drinker in the town and yet keep a level head," gives by that claim an inventory of goods already badly damaged, for since alcohol is pre-eminently a brain poison men of most brain grow dizzy first, and Hot-tentots stand steady longest, while genius shrivels under drink like a snow wreath in the sun. As civilization becomes complex the brain acquires more convolutions to the square inch, and its delicate tissues are torn more ruthlessly by the coarse intruder, alcohol.—From "Do Everything."

GUNS THAT WERE GOOD. Interesting Experience of a Prominent Michigan Man in Tropic Lands. The following letter from Dean C. Worcester, A. B., the well-known Assistant Professor of Zoology and Curator of the Zoological Museum at the Michigan University, Ann Arbor, will be read with a great deal of interest by every sportsman: Ann Arbor, Mich., Feb. 8, 1896. Parker Bros., Meriden, Conn.: Gentlemen—I have long intended to write you my experience with your shotguns, thinking it might be of some interest to you.

I was a member of the Steere Scientific Expedition to the Philippine Islands, in 1887-1888, and used one of your \$65 guns for collecting. The Philippines, as you are doubtless aware, lie wholly within the tropics, reaching to within five degrees of the equator. By using different loads I killed everything from sun-birds (the size of our humming-birds) to monkeys, deer and wild hogs. Much of my shooting was done with extremely heavy charges; the climate was such that in spite of every precaution gun would turn red with rust over night; my gun was in daily use; in the rainy season it was alternately soaked and roasted, and I had numerous nasty falls, giving the gun some severe knocks, but at the end of a year the gun was as good, if not as handsome, as when I bought it. Two other members of this expedition shot Parker guns, which gave perfect satisfaction. Other guns, subjected to precisely the same treatment, fell to pieces, the heat and moisture causing the woodwork to warp and split.

The Menage Scientific Expedition, 1890-1893, conducted by Mr. Frank S. Bourns and myself, took only Parker shotguns. Two of our four guns were new, two were guns left over from our first trip. All four were used daily for two years and eight months for collecting, in the Philippines and Borneo, but at the end of this most severe test were perfectly tight, and seemed to shoot as hard and close as ever. I sold one of my guns before starting for America for more than it cost me. The other I gave to a friend who had taken me in while down with typhoid fever, and I doubt not that both are doing good service yet. The shooting qualities of your guns need no endorsement from anyone. I fall to see how their wearing qualities could possibly be put to a severer test. No one who has not collected in tropical jungles can understand how severe the test was. Very truly yours, (Signed) DEAN C. WORCESTER.

This is certainly very strong testimony, and coming from a man of the experience and judgment of Prof. Worcester, its value is placed beyond cavil. No more severe test has ever been given than that described above. While other guns fell to pieces, the Parker guns stood the test without a break. Further comment on the superior excellence of Parker guns would seem to be superfluous.

CROSS-EXAMINATION

Could Not Weaken Such Testimony As This.

(From the Kalamazoo Telegraph.) The following statement is one of great interest to many a citizen of Kalamazoo, and a man as well known as Mr. Wallace should carry more than ordinary weight with our readers. Here it is as taken down by our representative: "My name is John A. Wallace. I am a member of the firm of J. A. Wallace & Co., doing business as tinners, etc., at 106 Eleanor Street, Kalamazoo, in which city I also reside. For the past nine or ten months I have been having attacks of kidney complaint, the pain in my back over my hips was very severe at times; my urinary system was also in a bad state of derangement, sometimes the urine was scanty and then again the amount would be excessive, and a difficulty of passage always existed. I heard of Doan's Kidney Pills at a time when I felt that I was going to be sick, but their use worked off an attack, and I am now feeling very much better; the urinary organism has regained a normal condition, and the terrific pain in my back is much reduced in severity, while it is now fast going away altogether. I am continuing the use of Doan's Kidney Pills, with positive feeling that they will effect on me a permanent and speedy cure. I have unbounded confidence in Doan's Kidney Pills as a remedy for all kidney ailments; have good reason to be, as they have done so much for me."

Can you ask any more than this? Doan's Kidney Pills are relieving more backs of the burdens they have been forced to bear through the kidneys than all other means devised, and, better still, they are doing this right here in Michigan. Ask any one who has ever taken them and see what they will say. Doan's Kidney Pills for sale by all dealers, price, 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name, Doan's, and take no other.

CATSUP Adulterated food. Do you believe in it. If so better buy chalk instead of sugar cotton seed oil instead of olive oil. Perhaps though you think about your health, or about the flavor of what you are eating. No way then but to buy good straight forward groceries. Surprising part of it is that they cost no more than the adulterated stuff. The dealer makes the difference in cost. Guess he loses in reputation though. We value our reputation and customers do too.

EFFECT BADLY FELT.

Spain Cannot Stand the War Much Longer.

AGRICULTURAL DISTRICTS SUFFER.

The Young Men Who Should Be Tilling the Soil Are Sent to Cuba to Fight the Insurgents—The American Congress Hotly Condemned by Spanish Journals for Recognizing the Belligerency of the Insurgents in Cuba—Waiting on Cleveland.

MADRID, April 9.—The Imparcial scolds the Spanish government for laxity of spirit against the attitude of the American congress. It asserts danger still exists which is perhaps greater than before. More than ever the effects of the insurrection are felt in the farming districts, where at the present time it is hard to engage laborers. Mr. Burnett, manager of the Peninsula company's big holdings at Maceo, says he found it almost impossible to secure sufficient help to work his land, so many young men had gone to Cuba. Another man who owns a large tract near Toledo, says out of forty hands twelve had recently gone to war. Any one who takes a trip through the agricultural districts will be convinced beyond a doubt that the present strain on the country is terrible, and one which Spain cannot stand without serious injury for any length of time.

American Congress Condemned. All the papers hotly condemn the American congress for the belligerency resolutions, which they persist in considering an act of hostility and insult to the Spanish people, which must be met by resolute, active preparations for resisting all kinds of intervention. It is understood the government will calmly await the decision of, or advances from President Cleveland, but will, in the meantime, push the operations in Cuba, while firmly checking all exaggerations and demonstrations in Spain that might create international complications.

Spanish diplomacy has led the government to believe that President Cleveland will endeavor to gain time until the rainy season begins in Cuba, in May, to see if the military situation is really modified, meanwhile instructing the American minister at Madrid to negotiate directly with Canovas in a friendly way, with a view of making some compromise that could satisfy the autonomist aspirations of the majority of the Cubans and the imperial interests of Spain, through American mediation.

NEWS FROM HAVANA.

Cane-fields, Burned by the Insurgents—Manuel Gonzales Killed.

HAVANA, April 9.—The insurgents have burned the cane-fields and 1,500 tons of sugar at the plantation of Santa Rita do Baro, province of Matanzas. Near Jovelanos insurgents are reported to have killed four laborers with their machetes, and at Tapaste they are announced to have hanged a local guerrilla. A dispatch from Trinidad says that Manuel Gonzales, the insurgent leader, has been killed and a telegram from Oliver says that four insurgents have been captured there and that in addition the authorities have made a prisoner the mistress of the well-known insurgent leader, Blas Hernandez.

Says Cleveland's a Conundrum.

NEW YORK, April 9.—An informal meeting of Cuban leaders was held at the Hotel America Tuesday night. The possibility of Cuban belligerency being actually recognized in the near future by President Cleveland was discussed at length. All seemed to be sanguine of the disposition of congress to pass a joint resolution which would insure action on the part of the president.

"Mr. Cleveland," said Mr. Portuondo, "is the great political conundrum of the present time. We can only pursue our unequal struggle on the island and continue to hope. We have done that from the beginning, and have much in the shape of results to encourage us."

BALLINGTON BOOTH AT CHICAGO.

He Addresses a Great Multitude of People at the Auditorium.

CHICAGO, April 9.—Ballington Booth and his wife arrived in the city Tuesday afternoon and at night they addressed a meeting of fully 5,000 people in the Auditorium. Both made addresses saying that they were in no way antagonistic to the Salvation Army, but they proposed to conduct a movement similar to the work of that organization, along parallel lines. Ex-Brigadier General Fielding of the Salvation Army occupied a seat upon the platform and it was announced that he would command the northwest division of Volunteers, with the rank of colonel. Booth said he would hold no meetings with his sister, Commissioner Eva Booth, who is now in the city. His last interview with her, he said, had been misinterpreted, and he would not hold another. Neither Booth nor his wife had anything to say regarding the specific causes that led them to resign from the Salvation Army.

FASTNET LIGHT.

A Welcome Glimpse to the East Bound Atlantic Voyager.

The first glimpse of Great Britain that the American tourist gets on his European tour is that of the Fastnet lighthouse. It stands on a rugged and solitary rock, situated nine miles south of Crookhaven, at the extreme southwest corner of Ireland, and is, perhaps, more storm beaten than any other around our coast. The rock is 80 feet in height, and the lighthouse towers another 70 feet above, yet, in winter gales, the Atlantic billows literally bombard the massive structure and have even smashed in a portion of the lantern at the summit of the erection, the seas frequently sweeping over the rock with tremendous force. Some two or three years ago the stormy weather then prevailing prevented all communication with the rock for many weeks, so that the store of food was consumed, with the exception of some flour. At last a schooner managed to approach sufficiently near to enable a small quantity of food to be dragged through the sea by the hungry men, and, fortunately, the next day the sea moderated, and the stores were once more fully replenished.

Except in very calm weather the Fastnet is surrounded by a fringe of foam, and the only means of landing is by the aid of a "jib" 58 feet in length, so placed on the rock that, in moderate weather, its end reaches outside the surf. When a visitor wishes to land (an unusual occurrence), he is rowed in a small boat as near as the waves permit, and the lightkeepers throw out a small buoy, attached to a rope, which is secured by the man in the boat. The jib is then swung out, and the visitor, placing one foot in the loop and catching tight hold of the rope, is hoisted about 40 feet vertically, and then the jib, being pivoted at its foot, swings him horizontally about 100 feet on to a safe landing.—London Sketch.

Suring Requires

That the impurities which have accumulated in your blood during the winter shall be promptly and thoroughly expelled if good health is expected. When the warmer weather comes these impurities are liable to manifest themselves in various ways and often lead to serious illness. Unless the blood is rich and pure that tired feeling will afflict you, your appetite will fail and you will find yourself "all run down." Hood's Sarsaparilla tones and strengthens the system, drives out all impurities and makes pure, rich, healthy blood. Hood's Sarsaparilla is the one true blood purifier and the best spring medicine. Be sure to get only Hood's.

SHERMAN CRITICISED.

Senator Turpie of Indiana Goes for the Ohioan.

CUBAN RESOLUTION IN THE SENATE.

While Speaking in Support of It Turpie Takes Occasion to Criticize Sherman's Actions—United States Intervention Favored—Aid for Sectarian Institutions Eliminated from the District of Columbia Appropriation Bill.

WASHINGTON, April 9.—In the senate Wednesday Turpie was recognized in support of the joint resolution of Call for the sending of a United States fleet to Cuban waters to protect Americans and to stop Spanish barbarities. Turpie said this resolution was full of meaning considering the remarkable change of front of the chairman of the committee on foreign relations (Sherman) and the senator from Massachusetts (Hoar) in their conduct of the Cuban campaign. This resolution proposed to send a United States naval force to Cuba. During the Chilean trouble our fleet was sent to Chili and exercised a most salutary influence. And now on the same errand and with the same purpose a United States fleet should proceed to Havana.

Jump on Sherman.

This resolution was the natural outgrowth of the inertia, inaction and obstruction of the chairman of the committee on foreign relations (Sherman) since he took refuge in the crypt of a conference committee. Turpie severely criticised Sherman's "abnormal proceedings" in handling the Cuban resolution. The resolutions offered by Sherman had proposed "intervention," but it was not disclosed by this remarkable document whether we were to intervene to restore the grasp of Spain on Cuba, or in behalf of Cuba to throw off that grasp. "When the time comes for intervention," exclaimed Turpie, "I am for intervention on the side of Cuba for the sake of freedom and independence and for no other reason."

DISTRICT BILL AMENDED.

Aid for Sectarian and Ecclesiastical Institutions Eliminated.

WASHINGTON, April 9.—The District of Columbia appropriation bill, which was recommended to the committee by the house on account of the aid carried by it to charitable institutions, was Wednesday considered by that committee and remodeled so far as it applied to private institutions. The question which caused so fierce a contest in the house was disposed of by a sweeping amendment. All of the items for private and semi-private institutions which have heretofore depended largely upon the government for support were stricken from the bill.

Great Removal Sale.

We sold four pianos last week to parties who thought of buying sometime, but who found on learning our phenomenally low prices that the time to buy was now. Buyers of pianos, do not fail to take advantage of the exceptional opportunity now offered to buy a piano or an organ at the lowest figure ever known in Ann Arbor.

BUYING A PIANO.

You have been thinking of buying a piano for a long time. If you keep putting it off, you will never get it. Now is the time to buy, for now is the time you can save money. If your grocer offered granulated sugar at 3c a pound, when you are paying 6c, you would buy a quantity. You know that is cheap, for you buy it every day. If he offered you Queen Anne soap at 3c a cake, you would buy it for the same reason, because you are saving money. If you could buy Royal Baking Powder for 25c a pound, when you have to pay 50c, you would buy Royal, because you know it is good, and could be bought at the price of the poorest. We want you to realize that we are offering just as big bargains on pianos and musical instruments today as granulated sugar would be at 3c a pound.

We are obliged to move, and the store we hope to secure will have to undergo extensive repairs, which will consume two or three months before it is fit for occupancy. We are overstocked with pianos, our present warehouses are crowded, and we have about 60 rented pianos coming in the middle of June.

Think of this seriously, and come in and see us. A dollar saved is a dollar earned, and you can save a good many dollars by buying your musical instruments now.

BICYCLES.

We sold 9 Bicycles last week. This shows our prices appeal to careful buyers. Our Dayton Bicycle is unexcelled by any, no matter how famous or by whom made. The Ben Hur at \$85 and \$100 we believe to be the best value for the money ever offered in Ann Arbor. We also sell the Clipper and Wellington Bicycles at \$75 and \$65, and we have a few good wheels as low as \$50.

Here are a few Removal Sale Bargains:

- 1 \$85 Ben Hur (used) - - - - \$55 00
- 1 \$100 Ralph Temple - - - - \$60 00
- 1 \$100 Monarch - - - - \$65 00
- 1 \$85 Gents' Ben Hur, '95 model - - \$70 00
- 1 \$85 Ladies' Ben Hur, '95 model - - \$70 00
- 1 \$85 Clipper, Gents', '96 model - - \$75 00

ORGANS.

Those organs we mentioned as slightly shop-worn, are in first-class condition otherwise, and it will pay you to examine them and get prices. Forty-five to Sixty Dollars will now buy an organ that formerly sold at from Seventy-five to Ninety.

Those Accordeons at \$1.25, \$1.45 and \$1.80, and those \$6.50 Mandolins at \$3.95 will not last long. There is excellent value in them, and in some Violins and Banjos we have listed at equally low prices. Now's the time to buy if you ever intend buying.
