TOLEDO & ANN ARBOR. A Brief History of its Inception and Its Progress.

Saturday evening, March 21st, the Draconian Club, of Toledo, Ohio, gave Gov. Ashley of the Toledo & Ann Arbor R. R., a grand banquet. The cards were elegant, the menu delicious and the whole affair a grand one.

For this very complimentary and unexpected entertainment, I am under many obligations, and I have no set speech to make, and collectively for your flattering reception, and you, Mr. President, for all your generous words of commendation and welcome.

It was at the end of the political campaign in '76, through which I had gone with no special ambition, to myself at least, when I said that I would not make another political speech until such issues were before the country as would enlist my heart and stir my blood.

For more than a year I imported men of wealth in the East for the money with which to build a road, and I attempted to raise the money in Toledo because I was known here as an ex-Congressman and not as a railroad man.

Alaska Forests. Alaska forests contain enough timber to supply the world. The forests of pine, spruce, fir and hemlock cover every island of the archipelago and a goodly portion of the mainland.

She Took the Trick. An Auburn lawyer's little daughter goes to Sabbath-school and is in a class with other little girls. Possibly the Auburn legal luminary hasn't allowed for the fact that the bright eyes of his little one as much as he might.
