THE THIRD PARTY. Why the Movement was Started and What it has Accomplished.

The third party has now been in existence for a full year; it may not be amiss to inquire what progress it has made during this time.

It does not follow from this that all the members of the party should be organized that would not prove an adjunct to one of the existing parties.

It is not a party, but a movement, and the champion of its rights. It is not a party, but a movement.

It is not a party, but a movement, and the champion of its rights. It is not a party, but a movement.
