As soon as we commenced to cross, the enemy began to evacuate Island No. 10 and to retire along the shore. The divisions were pushed forward to Tiptonville as far as they landed, Paine's leading. The enemy was driven before him, and although they made several attempts to form in line of battle and make a stand, Paine did not once deploy his columns.

Before abandoning Island No. 10, the enemy sunk the gunboat Grampus and six of his transports. Those last I am raising, and expect to have ready for service in a few days. The famous floating battery was scuttled and turned overboard with all her guns aboard; she was captured and blown up by our boats.
