

"A good name is better than great riches..."

The old saying, "anybody can talk but it takes votes to elect..."

The Republican State Convention has been called to meet at Lansing on the 7th of March...

CHARLES C. WRIGHT, of Marquette, has been appointed State Commissioner of Mineral Statistics...

The Board of Commissioners of the State House of Correction at Ionia asked an appropriation of \$156,000 for the completion of the buildings...

The Legislature has passed a bill changing the name of Mrs. Agnes B. Frye and children, of Ludington, to Stevens...

Not a single member of the tripartite tribunal believed that the Tilden electors did not receive more votes in Florida than did the Hayes electors...

It may be well enough to make Justice Bradley the target of all the jokes or curses aimed at the tripartite tribunal for the short-comings of that body...

SENATOR CAMERON, a gay widower of 78 years, has been smashing the heart of a treasury clerk, a widow forty and fair...

ON SATURDAY last the Electoral Commission reported its decision in the Florida case. It was immediately concurred in by the Senate...

In the great speech of Senator Conkling on the Electoral Commission bill, he distinctly asserted the right and the duty of Congress to go behind the Governor's certificate and unseal the ballots...

The Detroit Post questions the constitutionality of the proposed law disqualifying pool-sellers on elections from voting. It thinks that no person having the constitutional qualifications can be disfranchised...

The Detroit Tribune constitutes a cabinet for Tilden "in case he gets one vote in Oregon." But suppose Hayes is declared elected by the votes he didn't get in Florida or Louisiana...

THE LEGISLATORS seem to be after the University. Mr. Welker, of Branch, has introduced a bill repealing the law requiring an annual tax levy of 1-20th of a mill in aid of the institution...

THE DETROIT TRIBUNE constitutes a cabinet for Tilden "in case he gets one vote in Oregon."

THE ELECTORAL COMMISSION, politically constituted of eight Republicans and seven Democrats (though five of the members, the Associate Justices of the Supreme Court, no business to have any politics or know any party), had such a fear of the facts that it decided it could not go behind the fraudulent determination of the Florida canvassers...

Senator Bayard's Views. Senator Bayard, of Delaware, whose thorough-going Democracy no one will question, who was a member of the committee which reported the Electoral Commission bill, and who is also a member of the Electoral Commission, is thus reported in a New York Times Washington dispatch...

THE STATE GRANGE has memorialized the Legislature in favor of further legislation "with reference to taking of usurious interest, either directly or indirectly, by penalty or forfeiture of interest, or otherwise, as will more effectually correct the evil."

There are 269 inmates of the State Public School at Coldwater. The Lansing Republican is calling on its debtors for good dry wood.

William R. Taggart, cashier of the Bank of Niles, died on the 7th inst. The cerebral spinal meningitis is affecting horses in various parts of the State, proving generally fatal.

A daily paper is to be started at Flint by H. H. Gibson, of the Democrat, and George W. Gage, of Grand Rapids.

The First National Bank, of Detroit, gives bonds in the sum of \$500,000 for the privilege of handling city money. The next meeting of the Michigan Bee Keepers Association is to be held at Lansing on the 14th and 15th of March.

Hon. Jonathan Shearer has retired, and Hon. W. J. Baxter is the newly elected president of the State Historical Society.

L. A. Rose and Andrew Willman, of Bay City, are going to establish a paper in the interest of the reform movement, to be called the Red Ribbon.

The historians were instructed to prepare material for the second volume of this history, and that it be published one year from date or as soon as may be.

Mr. Henry Willis, of Battle Creek has been elected clerk of the Legislature to establish an industrial school for girls at that place.

The Litchfield Gazette says: "The time seems to be coming when we will have to borrow a few potatoes from the grocery to ornament the table on company occasions."

Recently, who escaped from the prison at Jackson some weeks ago, has been taken back by his father-in-law, at his own request. Freedom was not as sweet as he imagined it.

A trap net in Thunder river, at Alpena, catches from four to six barrels of herrings per day, and the fishermen sell them at the rate of five cents per dozen or a dollar per barrel.

Hon. S. M. Brackett, of Bellevue, Eaton county, died on the evening of the 7th, of typhoid fever. Mr. Brackett was the Democratic candidate for Lieutenant-Governor in 1862.

At the inter-collegiate contest at Hillsdale, on the evening of the 8th inst., between the Albion, Hillsdale and Kalamazoo colleges, Mr. Hudson B. Coleman, of Kalamazoo, received the medal.

Burglaries are the fashion in Jackson. On the night of February 8 a whole block of stores were entered and several hundred dollars' worth of goods stolen.

Dr. Jas. A. Brown, of Detroit, has been appointed one of three special commissioners to report in Washington for the purpose of investigating the management of the United States Marine Hospital at Boston.

Henry Ralph was arrested on the night of the 9th inst., in Ada, Kent county, charged with breaking into Justice Butterick's barn and stealing a wagon load of wheat. The stolen property was found in his possession.

One Sumner Parker personated Silas M. Parker at Coldwater a few days ago, and got the First National Bank to cash a \$349 draft that did not belong to him.

John Cronin, an employe of the Michigan Central Railroad, was instantly killed at Jackson, on Sunday morning, by having his head crushed between the water tanks of two engines.

Tramps fare poorly in Allegan this winter. Superintendent Calkins tells us that none have been helped from the public store, though many have applied—fewer, however, than last winter, when the number reached 50.

THE STATE HISTORICAL SOCIETY.—At the recent meeting of the State Historical Society, J. C. Holmes, chairman of the committee of historians, made a report in which he stated that they had gathered sufficient valuable matter to make a book of about 600 pages. It was hoped to have this volume ready for distribution at this annual meeting, but the work had been delayed by not getting papers and reports from various pioneers. He reported that a contract had been entered into for the printing of the first volume, 1,500 copies, for \$1,875, and the book is now well under way.

THE LEGISLATORS seem to be after the University. Mr. Welker, of Branch, has introduced a bill repealing the law requiring an annual tax levy of 1-20th of a mill in aid of the institution...

THE DETROIT TRIBUNE constitutes a cabinet for Tilden "in case he gets one vote in Oregon." But suppose Hayes is declared elected by the votes he didn't get in Florida or Louisiana...

THE ELECTORAL COMMISSION, politically constituted of eight Republicans and seven Democrats (though five of the members, the Associate Justices of the Supreme Court, no business to have any politics or know any party), had such a fear of the facts that it decided it could not go behind the fraudulent determination of the Florida canvassers...
