

Ava's Famous

On a sunny day in Chicago Ava got out of bed and ran to her mirror and thought I should be Famous I love to sing but one thing was stopping her she was not pretty. She asked her dog 'am I pretty' the dog did this rrrrrrrrrrrrrrrrr but I'm 8 years old I don't know how to be pretty. Ava ran into her mom's bathroom and got her mom's tweezers and plucked her eyebrows and founded a pretty dress and put it on and after that her dog bella watched Ava brush her hair and made it pretty and she was so beautiful. suddenly her mean sister Ryan popped out the corner and ripped Ava's dress then Ava cried and Ryan said I'm the only one beautiful'.

Ava thought if she made a song she would be famous. Ava ran as fast as she can go to the music store and got a microphone and a piano and told them to mail them to her house and the microphone to be on the piano. One day later the piano came and Ava had put it in her room she thought and thought and made a song called Burning House. Ava

showed her dad the song later after she was done showing her dad he said 'I...I...I love it its awesome he called the radio place and said 'I know it's my day off but my daughter made this perfect song and I thought we should put the song on the radio' Ava said 'what did they say' 'they said yes but we need to bring the cd down so get the cd and let's go. 10 minutes later. Ava said 'Yes finally we're here' they jumped out the car and ran inside and showed him the cd and he said 'wow we have to put this on the radio' so he did 1 week later. Ava got a call and he said 'i hope you have a good dress and shoes because you are going to the grammy awards' ava said 'thank you when is it' 'it's in two days hope you can make it' She had to go pick out a dress and a pair of shoes she ran as fast as she could to the store and saw a beautiful purple dress 'by the way purple is Ava's favorite color' and she saw beautiful shoes and bought them and put them in a bag and walked home and stopped at subway to get a taco and a soda and ate the taco when she got home and got ready for the red carpet because it was in 2 days and that's not a long time. two days later. 'It's morning' so she put

her shoes on and her dress on and got her dogs carry purse and put her dog in there and it was time to go already and they had a limo and got in it and 5 minutes later they were at the red carpet ava was shocked there was a lot of people she walked slowly every one took pictures and asked her ' how long did it take to make the song' Ava said well about 30min or less. Ava had so much fun she lost track of time ava was there for 3 hours finley she noticed and said 'we got to go it's been 3 hours!' before it was 12:00 now it's 3:00 we have to go now they called the limo and 5 minutes 'finally you're here let's go ' 5 minutes 'I think I'm going to bed now good evening.'
