

***BREAKING NEWS OVER 3,000,000,000
KIDS HAVE BEEN OBSESSED WITH TOY STORES.***

The kids are out of their minds but they don't listen when their parents tell them it's time to go. We need a solution. There attacking with candy ahh!!!

We are back and they're still not calm the police are attacking with doughnuts i am eating them because they are so good. Ok back to the cut

so these kids have sugar hi and parents are mad at the police because the kids ate the doughnuts

shame. Well it's my break we will be right back to school reports!!!

Now back to school news okay the children are getting better a little it's really complicating so don't try this if your child is still crazy but don't worry they will be fine now parents are suing others and blaming people like me i mean come on it's not my fault i'm just writing. Uh oh my moms coming and she's going to write for you guy so here she is. Hello is this thing on mom is not a microphone like on your flip phone. I have a better phone than everyone on this planet. Ok folks that's all for today see ya next time on school news the best newspaper in the u.s
